THE UNIVERSITY OF ALBERTA STAFF BULLETIN

EDMONTON 7, ALBERTA

APRIL 29, 1971

## APPOINTMENTS

Dr. Schultz

Dr. Rose

### CHAIRMAN OF DEPARTMENT OF FOREST SCIENCE

JOHN D. SCHULTZ has been named Professor and Chairman of the new Department of Forest Science, effective July 1, 1971.

Dr. Schultz was born in Battle Creek, Michigan and holds a B.S. and M.F. in forestry and the Ph.D. in forest ecology, all from the University of Michigan. Dr. Schultz worked with the Michigan Department of Natural Resources in 1957 through 1958 and since 1961 has been employed in Utah, first with the United States Forest Service and since 1964 with Utah State University, Logan, Utah, as a member of the Department of Forest Science in the College of Natural Resources. His research has been

primarily in watershed management and forest hydrology.

As the first full time appointment to the staff of the Department of Forest Science, Dr. Schultz will be responsible for the development of the department in addition to having teaching and research responsibilities.

STEVE PAWLUK, Professor of Soil Science, has been named Associate Chairman of the Department of Forest Science for a two year period commencing April 2, 1971. Dr. Pawluk will assist Dr. Schultz with the development of the Forest Resource Management program and with acquiring and equipping space for the new department.

Dr. Pawluk is a native of Egremont, Alberta and a graduate of The University of Alberta. He is widely known for his work in agricultural and forest soil classification. He produced the film, "Soils in Alberta," which was accepted as one of two Canadian films to compete in the XVth International Festival of Scientific and Educational Films held at Padua University, Italy. Dr. Pawluk will continue with his teaching and research responsibilities in the Department of Soil Science.

### CHAIRMAN OF DEPARTMENT OF ENGLISH

EDWARD J. ROSE, Professor of English, has been appointed Chairman of the Department, effective July 1 this year. He succeeds R. G. BALDWIN, Chairman of the Department of English since 1967, who is

*adviser to the Student Christian Movement. He was the author of The Narrow Pass and several other books and articles.*

## OBITUARY

GEORGE HENRY PRICE, Associate Professor of Philosophy, died Wednesday, April 21, after a lengthy illness.

Professor Price, 60, was born in Ebbw Vale, South Wales, and educated at the University of Wales, where he obtained bachelor's degrees in Arts and Divinity and a master's degree in Arts.

From 1939 to 1947 he served as chaplain in the British army, and from 1947 until his emigration to Canada in 1964 he served as a clergyman in Wales.

Professor Price joined the Department of Philosophy in 1964. He was active in the promotion of religious studies and was an

leaving the position to become Associate Dean (Planning and Development) of the Faculty of Arts.

Dr. Rose, born in New York City in 1924, received his bachelor's and master's degrees from Brooklyn College, City University of New York, and his doctorate from the University of Toronto. Before joining the staff of The University of Alberta in 1958, he taught at Brooklyn College and at the State University of New York, Geneseo.

Dr. Rose has served on a number of committees at the departmental and faculty levels. Since 1969 he has been chairman of the Arts Faculty Academic Planning Committee. He is a very widely published scholar in studies of nineteenth century American literature and the English poet and engraver, William Blake.

## LABORATORY ANIMAL SERVICES REORGANIZED

Effective April 1, 1971, Laboratory Animal Services has been reorganized as directed by General Faculties Council and the Board of Governors. Three services have been established to serve the animal research needs of The University of Alberta.

*BioScience Animal Service* is charged with all aspects of requisition, maintenance, and use of animals in the Faculty of Science and related Faculties.

*Health Sciences Animal Service* handles all aspects of requisition, maintenance, and use of animals in the Health Sciences and related Faculties.

*Laboratory Animal Breeding Service and Central Service* will continue to develop laboratory animal breeding colonies and carry the functions of central purchasing of animals, feed, bedding and cages for the University. Colonies now established in the program include C57B1, CBA, BALB/c, ALAS, and DBA2 mice; Sprague Dawley rats; Golden hamsters; random bred, Chase, Strain 13 and Strain 2 Guinea pigs; Dutch and San Juan rabbits; and Coturnix quail.

Although the Faculty of Agriculture remains separate, small animals may be provided or maintained for that faculty by these services on request.

Further information about the services

*And time remembered is grief forgotten,  
And frosts are slain and flowers begotten,  
And in green underwood and cover  
Blossom by blossom the spring begins.*

Swinburne

may be obtained from J. J. THOMSEN, Director, Bio-Sciences Animal Service and Acting Director, Laboratory Animal Breeding Service, 432-5193, or from D. C. SECORD, Director, Health Sciences Animal Service, 432-3577.

## GENERAL FACULTIES COUNCIL

The Report of the Joint Committee of the General Faculties Council and the Association of the Academic Staff of The University of Alberta on Procedures for Amending the Faculty Handbook was submitted to a special meeting of the General Faculties Council on April 23, 1971. The Committee was established in July, 1969. D. G. FISHER, Professor of Petroleum and Chemical Engineering, and chairman of the committee, presented the Report and the four resolutions which it contains. The first resolution was:

*That GFC recommend to the Board that the following sections of the Amending Procedures numbered 1.3.1 and 1.3.2, be approved and incorporated into Part One of the 1969 revision of the Faculty Handbook and thereby form part of the contract of appointment.*

1.3.1 The AASUA is the agent, for the purposes hereinafter stated, of all full time

faculty and all other persons whose contracts of appointment import provisions of this handbook, who are appointed to The University of Alberta on or after the . . . . . day of . . . . . 197 . . .

1.3.2. The AASUA is the agent, for the purposes hereinafter stated, of all full time faculty and other persons whose contracts of appointment import provisions of this handbook, who were appointed to The University of Alberta prior to the . . . . . day of . . . . . 197 . . . and who have appointed the AASUA his or their agent by instrument in writing.

After discussion a motion that section 1.3.1 be approved was defeated.

On a motion by B. M. BARKER, Associate Professor of Law, the meeting then adjourned without further discussion of the Report.

## CONSTRUCTION REPORT

The Monthly Progress Report of the Campus Development Office for April 15 lists Arts II, the Humanities Centre, as 3 per cent complete. A concrete batching plant has been erected on the site at Saskatchewan Drive and 112 Street, pile driving is underway, and the basement and tunnel are being excavated. All trees within the hoarding have been protected by the Department of Physical Plant.

The Basic Medical Sciences Building is about two-thirds finished and progressing well, although it is slightly behind its revised completion schedule of November 30 this year.

Car Park II is 74 per cent complete and approximately 400 parking stalls are available for use. The project has been delayed by an unusually severe winter for construction and by problems with post tensioning steel.

Engineering Centre II is 5 per cent complete and progressing on schedule. Pile driving is 80 per cent complete. The building is expected to be finished in the summer of 1972.

The Law Centre is 82 per cent complete, with the concrete pouring almost finished. Mechanical and electrical work is under way in the north portion of the building.

Rutherford Library II, phase I, is tendering now, and Education II, phase I, will go out to tender in June.

## PEOPLE

MANOLY R. LUPUL, Professor of Canadian Education History, was one of the consultants invited by the Ethnic Participation Division, Citizenship Branch, Department of the Secretary of State, to examine the feasibility of a study of third language studies in Canada. The meeting took place at the Ontario Institute for Studies in Education in Toronto.

D. G. FISHER, Professor of Chemical and Petroleum Engineering, presented an invited paper to the Edmonton section of the Instrument Society of America.

JOHN E. SEMPLE, Lecturer in the School of Rehabilitation Medicine, has been elected vice-president of the Association of Chartered Physiotherapists of Alberta. He has also been elected chairman of the education committee of the same body.

ARTHUR J. B. HOUGH, Director of Student Counselling Services, has been advised of his election as a Fellow of the Canadian Psychological Association. He has been active in the affairs of the Association, and is currently completing a three-year term as a member of the board of directors. Last autumn he was elected as an honorary member of the Alberta Psychologists Association.

HARRY WOHLFARTH, Associate Professor of Extension, has been awarded a second Gold Medal in recognition of his work, by the International Academy "Leonardo da Vinci," in Rome, Italy. Last year Professor Wohlfarth received the great Gold Medal of the Tiberian Academy (formerly the Royal Italian Academy) for outstanding achievements in fine arts as the result of his one man exhibition in 1970 which opened the celebrations of Rome's Centennial as the capital of Italy.

MARY E. P. HENDERSON of the School of Library Science was in Sault Ste. Marie last week to present an address in the Distinguished Lecturer Series there.

A conference on "Work and Leisure" was organized by the Faculty of Business Administration and Commerce on April 5 and 6, in which federal and provincial government officials participated as well as professors from the universities of Windsor, McGill, and Winnipeg. Those who presented papers from various departments on this campus included S. M. A. HAMEED, S. P. SINGH, and R. MIRUS of the Faculty of Business Administration and Commerce, C. W. HOBART, A. MATEJKO, and L. E. LARSON of the Department of Sociology, and REX BEACH of the Faculty of Physical Education.

DAVID ZINK, Assistant Professor and Clinical Research Consultant, School of Rehabilitation Medicine, has had a paper accepted for publication in the *Volta Review*, the Journal of the Alexander Graham Bell Association.

## VISITORS

■ SIDNEY LIGHT, Secretary of the International Rehabilitation Medicine Association, gave two lectures in Edmonton recently at the invitation of the Department of Physical Medicine and Rehabilitation of The University of Alberta Hospital.

■ DAVID NOVARR of Cornell University was a guest of the Department of English. He delivered a lecture on Donne's Address on the States of the Union and gave a seminar on the criticism of biography from 1882 to the present.

■ G. A. SWANSON of the University of British Columbia gave a colloquium to the Department of Mathematics.

■ NEIL WIGLEY of the University of Windsor gave a colloquium to the Department of Mathematics.

■ DIETER SOLL of the Department of Molecular Biophysics at Yale University gave a seminar to the Department of Biochemistry.

## NOTICES

### VOLUNTEERS NEEDED FOR RESEARCH PROJECT

The Transplantation Immunology Laboratory of The University of Alberta Hospital is looking for subjects to participate in research directed towards finding a rapid technique to evaluate the compatibility between donor and recipient in organ transplants.

The project requires families containing five or more children over the age of twelve years. These families will be first tissue typed by conventional means, following which four of the siblings will be selected for the study.

The initial typing requires a small blood sample taken from the arm, for which each member of the family will receive a nominal payment. The four siblings who are selected will then be required to give three or four more blood samples at intervals of one week. The blood samples can be taken in the subjects' own homes and the time required will be about ten minutes for each sampling. The total volume of blood taken per person for the study will be about half of a Red Cross blood donation.

Would those people interested in participating please call W. HOWSON, or B. LOCKWOOD at The University of Alberta Hospital, telephone 439-5911, extension 496.

### DRAMA AUDITIONS

The Department of Drama at The University of Alberta is holding auditions across Canada for entrance into the four year Bachelor of Fine Arts program. This is the third year

in which auditions have been held to select students. THOMAS PEACOCKE and other representatives of the Department will visit major centres from Halifax to Vancouver between May 21 and June 3.

Founded twenty-one years ago, the Department of Drama was the first in Canada to offer a degree in drama, and is still the largest in terms of total enrolment and numbers of staff. Students wishing to enrol are required to have University of Alberta entrance to the Faculty of Arts. Further information may be obtained by writing the Department of Drama, The University of Alberta.

### USED MEDICAL TEXTBOOKS WANTED

A school of physiotherapy is being started at Mulago Hospital, Kampala, Uganda, but the financial resources are very limited. If anyone would like to donate used medical and allied textbooks and other literature, would they please send them to ROGER COPPING, School of Rehabilitation Medicine, Room 210 Corbett Hall.

### UNIVERSITY BOTANIC GARDEN

The Botanic Garden and Field Laboratory of the Department of Botany will be open to the public every weekend from May 1 until the middle of September. The garden will be open every Saturday and the first Sunday of each month, from 1 p.m. to 5 p.m. during May, and from 1 p.m. to 7 p.m. during June, July, August, and September.

A variety of bulbous and herbaceous plants will be in flower throughout the summer. Trees and shrubs (including evergreens) are also established or on trial there. A total of more than 2,500 species and cultivars are labelled.

To reach the garden from Highway 16 West, visitors should turn south on Highway 60 (the Devon Highway) and travel south nine miles. It is located on the east side of the highway and is well marked with signs. Visitors are advised to bring insect repellent and women should wear flat-heeled shoes.

### FAMILY LIFE EDUCATION WORKSHOP

The Division of Family Studies of the School of Household Economics is sponsoring an interdisciplinary family life education workshop. The workshop (Household Economics 449) will be offered for credit at the University during the first week of Summer Session, July 5 to 13. The classes will meet each weekday from 9 a.m. to 12 noon, and from 2 to 4 p.m. JAMES MADDOCK of the Family Study Center of the University of Minnesota will be the guest resource person. Other staff members will be from various University departments. Interested teachers, parents, social workers etc., are urged to register before the April 30

deadline. Registration forms are available from the University Summer Session office, 304 Campus Tower. Further information may be obtained from D. KIEREN, Chairman of the Division of Family Studies, 432-5766, and brochures describing course content may be obtained by calling 432-5771.

### ROCKY MOUNTAIN FIELD TRIP

A three-day field trip is being planned for the Victoria Day long weekend. A bus tour will travel from Edmonton to Jasper and Banff and back to Edmonton. Participants will have the opportunity of viewing the landscape and structural geology of the Rocky Mountains.

People with or without a prior knowledge of geology will find this trip interesting and informative. Prior to the trip, two evening sessions will be held to provide some background for the study of the rocks and landscapes to be seen.

The group will depart from Corbett Hall at 6:30 p.m. on Friday, May 21, and return on Monday, May 24 at about 6:30 p.m. The fee is \$85, which includes course materials, transportation, group accommodation for Friday, Saturday and Sunday, and breakfasts and bag lunches.

Additional information is available from the Department of Extension, 439-2021, extension 33.

### A CONFERENCE ON PSYCHO-EPISTEMOLOGY

The Center for Advanced Study in Theoretical Psychology is sponsoring this conference, sessions of which will be held April 30, May 11, 13, 19, and 21; June 8 and July 28. Its purpose is to review and discuss selected areas of psychological literature and to evaluate their significance for issues of knowing (epistemology). The papers presented will comprise a report for the Canada Council project "Studies in Psychoepistemology." This will be a working conference, with guest speakers, and those who are interested in attending any of the sessions, may do so by calling the Center at 432-5271. Programs are also available. All sessions will begin at 2 p.m., in the Center Seminar Room, P-319N Biological Sciences Building.

### COMING EVENTS

■ MERLA AIKMAN, mezzo-soprano, and ALEXANDRA MUNN, pianist, will give a recital of works by Handel, Gluck, Brahms, Strauss, Granados, and Barber, on Sunday, May 2 at 8:30 p.m. in Convocation Hall, Arts Building. Admission is free.

■ The India Society will be showing the film *Intikam* at 7:30 p.m. on Saturday, May 8 in Room TL 11 Henry Marshall Tory Building. The film is in color with English sub-titles. A small admission charge will be made.
